Congratulations to all the players, coaches, team captains and clubs involved.

Many thanks to the Junior Reps and Team Captains from each club who ensured the smooth running of the League.

We continued to use the LTA on-line League Planner for results entry and league tables.

Thanks to Dave Clifford for his support with the fixture planning in our first year of organising the League.

The Adult League once again waived all registration fees as a means of donating money back into local junior programmes. Many thanks to the Committee for their continued support for junior tennis.

As in 2017, the 2018 junior tournament did not go ahead. The junior committee will consider a format for the event in 2020 that would generate the most interest from junior players.

The presentation evening was a great opportunity to congratulate this year's junior league winners and runners up.
