

S & D Individual Tournament 2021 report

There were 14 Individual Tournaments in 2021, 2 Junior events and 12 Senior events and thanks to all entrants, hopefully we will be able to increase the number of entrants in 2022.

Most events ran without hick-up, even taking into account Covid – 19 and all that that brought with it.

There were a few withdrawals and matches played slightly later than would have been preferred as the Tournaments went on, but I would say that the keenness of players who had entered to make sure the Tournaments ran as smoothly as possible was admirable.

Finals Day was held on a nice sunny day at Southbank Tennis Club on Sunday 25th July 2021, with plenty of supporters for the finalists.

Finally it was nice to see plenty of the winners at the League presentation evening at Croston as well.
