

## Guide for online entry of Southport & District Tennis League Results

To record results of league matches, go to the league planner website at:

<https://competitions.lta.org.uk/sport/league?id=B0C08E11-A882-4E1D-A829-CBBE7A2BAD80>

(There are links to this on the Southport & District League website.) You then click on the words “Log In” at the top right corner and you will be presented with a screen as below:

Do not use the LTA Member Login as, if you do, you will not be able to enter results.

You need to use the “Admin login” at the bottom of the window with the same username and password as last year. If you don’t know them then please contact your club Match Secretary. If you are a club Match Secretary and don’t know the details then you may request them from the League Planner Manager, Christian Bryan.

The following screen should appear. Check that the correct league is selected at the bottom and then click on the date of the match on the grid for which you want to enter results.

When entering results please use the **“Enter Rubber Results”** option not the **“Enter Match Result”** option.

The screenshot shows a web interface for managing matches. At the top, there is a navigation bar with tabs: Organization, Draws, My matches, Matches, Comments, Clubs, and Teams. Below this, the match details for 'Hillside 2 (Hillside2) - Hillside 3 (Hillside3)' are displayed. The match is scheduled for Mon 17/08/2020 at 19:00, in the SDL - SummerLeague - 3rd Division. The score is currently empty, and the match is not confirmed. A 'Match overview' table shows scores for XD, XD2, MD1, and WD1, all currently at '-'. At the bottom, there are five buttons: 'Reschedule match', 'Relocate match', 'Enter match result', 'Enter rubber results', and 'Add comment'. A red arrow points from the top text to the 'Enter rubber results' button.

Event	Hillside 2 (Hillside2)	Hillside 3 (Hillside3)	Score
XD			-
XD2			-
MD1			-
WD1			-

On the Enter Rubber Results screen, use the pull down lists to select the players. If a player does not appear on the pull down list then choose “Unknown Player” and then record their names in the comment that you will be required to input.

**Rescheduled matches** - If a match needs to be rescheduled from the official date either due to bad weather or by agreement between the team captains then the home captain must use the **“Reschedule Match”** option to set the new date. This must be within one week of the original date for the match.

In the event of a match not being completed on the first or alternative night a further 14 days are allowed (Summer League) or a week from the original date (Autumn League). Failing completion in that time, the match will be halved. It should be recorded on the League Planner system as a “tie” with no sets or games being awarded to either team.

If you are unsure which players have been registered for your club then you can check on the League Planner system as shown below:

The screenshot shows the League Planner interface for the Southport and District League Autumn 2020. The main navigation bar includes 'Organization', 'Draws', 'My matches', 'Matches', 'Comments', 'Clubs', 'Teams', 'Locations', and 'Find'. The 'Clubs' menu item is highlighted with a red box. Below the navigation bar, the selected club is 'Argyle (LAN096)'. The sub-menu for this club includes 'General', 'Teams', 'Matches', 'Standings', 'Players', 'Active players', and 'Statistics'. The 'Players' sub-menu item is also highlighted with a red box. The 'Players' page is divided into 'Men' and 'Women' sections, each with a table of registered players and their status.
