

Individual Tournaments report 2024 season.

The Tournaments had the highest number of player entries since I have been looking after them, a total of 76 players over 15 events.

As is always the case, and despite some prodding of some players, there were issues with getting some matches played by the dates I had designated particular rounds to be played by, but eventually all was completed and the Finals Day took place at Southbank Tennis Club on Sunday 21<sup>st</sup> July 2024, with all Finals being completed on that day.

So overall I would say that the Individual Tournaments were a success, and those that played enjoyed themselves, finally thanks to the entrants and hopefully we'll see you all again in 2025, and more entrants as well please.

Just one request from me, could clubs promote these events more, naturally with no paper handbook any longer, and therefore no entry paper entry form; individual players, especially those new to the Southport League may not realise that the events even exist.
