

Autumn League Report – 2025

Matches commenced Monday 15th with 23 teams competing across 4 divisions and ran for ten weeks. My role as Autumn League Secretary began midway through the second week.

Most matches were played as scheduled with match results entered within the time limits however a small number of matches required score corrections. On six occasions a team was found to be in breach of rule 10 (playing a 'starred player' who had played in a higher team during the S/L). The players concerned were penalised as an ineligible player under rule 15. Though the A/L is considered a less competitive league, rules still apply.

From week 7 onwards poor weather resulted in many matches completing only 4 sets or if not played within the same week, shared points as per rule 19.

The season completed after 10 weeks with first place positions as follows.

Division 1 – 1st Argyle 1

Division 2 - 1st North Meols 4

Division 3 - 1st Hillside 3

Division 4 – 1st Sphynx 5

Thank You

Jeanette Heague – Temporary A/L Match Secretary
