

The 2025 Individual Tournaments were fairly painless.

After a stuttering start getting entries, there we ended up with 14 events.

Many entrants were first time entrants which was pleasing, but there were still plenty of players returning from 2024 and before.

The Finals were all played without hiccup, although spread over 2 weekends as Janet Kearton from Croston couldn't be expected to play in 6 finals in one afternoon.

Here's to 2026
